How it Works:

- 1 Submit Your Referral**
Know of another program that would benefit from learning more about CORE? Submit the Client Referral Form at www.corehighered.com/client-referral-program.
- 2 CORE Follows Up**
The CORE team will follow up with the program you referred to provide them with more information, answer any questions, and offer a demonstration of the CORE software.
- 3 Receive Your Honorarium**
If the program you referred becomes a CORE client within 18 months and commits to a contract of two or more years, you will both receive the referral honorarium!
